

§ ITINERARY · TWO DAYS · PASO ROBLES

48 hours in *Paso Robles*

Two days in Paso Robles — the Eastside and the light field on the first, the Westside hills and a long dinner on the second.

TWO DAYS · SAN LUIS OBISPO COUNTY · BEST ON FRIDAY TO SATURDAY

Paso Robles splits along the 101. East of it, Highway 46 runs smooth and wide past larger estates. West of it, the roads climb into the Adelaida District, and the tasting rooms get smaller and closer to the vines. Give each side a day, and come back to the downtown square for meals. Plan it for a Friday and Saturday: Sensorio opens Thursday to Sunday evenings.
